Education	1714	Master of Teaching (Secondary)	01/01/2023	12/31/2024	Essential to work in profession	The Master of Teaching (Secondary) is a professional teaching qualification for students possessing an appropriate bachelor's degree. It has been fully accredited by the NSW Education Standards Authority. Graduates meet the Australian Professional Standards for Teachers at the graduate level.
Education	1848	Master of Teaching (Secondary) STEM	01/01/2022	12/31/2024	Essential to work in profession	The Master of Teaching (Secondary) STEM is a professional teaching qualification for students possessing an appropriate bachelor's degree. It has been fully accredited by the NSW Education Standards Authority (NESA). Graduates meet the Australian Professional Standards for Graduate Teachers.
Education	1926	Bachelor of Education (Early Childhood)	01/01/2023	01/01/2028	Essential to work in profession	This program is accredited by the Australian Children's Education and Care Quality Authority (ACECQA), Graduates will meet the Australian Professional Standards for Teachers at the Graduate level as required by the NSW Education Standards Authority (NESA).
Education	1876	Bachelor of Education (Primary)	01/01/2021	12/31/2025	Essential to work in profession	This program meets the Professional Teaching Standards for Graduate Teachers as required by the NSW Education Standards Authority (NESA).
Eng, Design & Built Env	3727	Bachelor of Building Design Management	01/01/2016	12/31/2024	Non-essential	The Bachelor of Building Design Management is accredited by the Chartered Institute of Building. The Bachelor of Building Design Management (Honours) is accredited by the Australian Institute of Building.

Western Sydney University Professional Accreditation - Current Programs April 2024

School	Program Code	Program Title	Start Date	Review Date	Accreditation Type	Accreditation Details
Eng, Design & Built Env	3727	Bachelor of Building Design Management	07/01/2022	06/23/2025	Essential to work in profession	The Bachelor of Building Design Management is accredited by the Chartered Institute of Building. The Bachelor of Building Design Management (Honours) is accredited by the Australian Institute of Building.
Eng, Design & Built Env	3782	Bachelor of Construction Management Advanced (Honours)	01/01/2022	06/23/2025	Essential to work in profession	Accreditation will be sought from the Australian Institute of Building, Chartered Institute of Building, Royal Institution of Chartered Surveyors (RICS) and the Australian Institute of Quantity Surveying
Eng, Design & Built Env	7022	Associate Degree in Engineering	01/01/2015	12/31/2026	Relates to Major	Full accreditation has been accorded for the Civil Major by Engineers Australia in 2021. Provisional accreditation has been accorded for the Electrical, Mechanical and Robotic and Mechatronic Majors in 2021.
Eng, Design & Built Env	3730	Bachelor of Industrial Design	01/01/2021		Non-essential	Graduates are eligible for membership of the Design Institute of Australia (DIA)
Eng, Design & Built Env	3731	Bachelor of Industrial Design (Honours)	07/01/2021		Non-essential	Graduates are eligible for membership of the Design Institute of Australia (DIA)
Eng, Design & Built Env	3729	Bachelor of Design and Technology	01/01/2021		Non-essential	Graduates are eligible for membership of the Design Institute of Australia (DIA).
Eng, Design & Built Env	3762	Bachelor of Construction Management (Honours)	01/01/2019	12/31/2024	Non-essential	The Bachelor of Construction Management (Honours) program is accredited by the Australian Institute of Building (AIB, Incorporated by Royal Charter under the Australian Crown). The Quantity Surveying specialisation of this program is accredited by the Australian Institute of Quantity Surveyors (AIQS). The Bachelor of Construction Management (Honours) program is further accredited by the Chartered Institute of Builders (CIOB), with its Quantity Surveying specialisation also accredited by the Royal Institution of Chartered Surveyors (RICS). Further, this degree satisfies one of the requirements for NSW Builder's licence through NSW fair trading, which is the educational degree requirement.
Eng, Design & Built Env	3762	Bachelor of Construction Management (Honours)	01/01/2020	06/23/2025	Essential to work in profession	The Bachelor of Construction Management (Honours) program is accredited by the Australian Institute of Building (AIB, Incorporated by Royal Charter under the Australian Crown). The Quantity Surveying specialisation of this program is accredited by the Australian Institute of Quantity Surveyors (AIQS). The Bachelor of Construction Management (Honours) program is further accredited by the Chartered Institute of Builders (CIOB), with its Quantity Surveying specialisation also accredited by the Royal Institution of Chartered Surveyors (RICS). Further, this degree satisfies one of the requirements for NSW Builder's licence through NSW fair trading, which is the educational degree requirement.
Eng, Design & Built Env	3762	Bachelor of Construction Management (Honours)	07/01/2023	01/31/2027	Relates to Major	The Bachelor of Construction Management (Honours) program is accredited by the Australian Institute of Building (AIB, Incorporated by Royal Charter under the Australian Crown). The Quantity Surveying specialisation of this program is accredited by the Australian Institute of Quantity Surveyors (AIQS). The Bachelor of Construction Management (Honours) program is further accredited by the Chartered Institute of Builders (CIOB), with its Quantity Surveying specialisation also accredited by the Royal Institution of Chartered Surveyors (RICS). Further, this degree satisfies one of the requirements for NSW Builder's licence through NSW fair trading, which is the educational degree requirement.
Eng, Design & Built Env	3771	Bachelor of Engineering Advanced (Honours)	01/01/2022	12/31/2027	Essential to work in profession	The Majors of Advanced Manufacturing, Materials and Sustainability are currently under provisional accreditations from Engineers Australia (EA). The Majors of Civil, Construction, Electrical, Mechanical and Robotics and Mechatronics are under full accreditations from Engineers Australia (EA). The Major of Software Engineering will seek provisional accreditation from the Australian Computer Society (ACS) in 2021. Full accreditation will be sought after the first cohort graduates in 2025.
Eng, Design & Built Env	3761	Master of Architecture (Urban Transformation)	01/01/2019	12/31/2024	Essential to work in profession	The Master of Architecture (Urban Transformation) at Western Sydney University is a professionally accredited course recognized and listed as such by the Architects Accreditation Council of Australia (AACA). http://www.aaca.org.au/wp-content/uploads/Accredited-Architecture-qualifications.pdf Graduates from the Master of Architecture (Urban Transformation) who have completed two years of practical architectural experience, of which at least one year is postgraduate architectural experience, will be eligible to undertake the Architectural Practice Examination, successful completion of which will result in eligibility for registration as an architect in Australia.
Eng, Design & Built Env	3691	Bachelor of Engineering Science	01/01/2016	12/31/2027	Essential to work in profession	The program has been designed to meet Engineers Australia professional accreditation requirements â€” Competency Stage 1 Engineering Technologist and Australian Quality Frameworks (AQF) Level 7. Engineers Australia accreditation is pending approval for the Advanced Manufacturing, Materials, and Sustainability disciplines. Graduates of this program are eligible to apply for full membership of Engineers Australia. They are eligible to apply for Certified Engineering Technologist registration upon successful completion of required engineering practice period specified by Engineers Australia.
Eng, Design & Built Env	3703	Master of Building Surveying	01/01/2022	12/31/2024	Essential to work in profession	The program has full accreditation with the Australian Institute of Building Surveyors (AIBS). The program is recognised by NSW Fair Trading to meet the qualifications requirement to be accredited as Building surveyor-unrestricted.

Western Sydney University Professional Accreditation - Current Programs April 2024

School	Program Code	Program Title	Start Date	Review Date	Accreditation Type	Accreditation Details
Eng, Design & Built Env	3789	Graduate Diploma in Building Surveying	01/01/2022	12/31/2024	Essential to work in profession	The program has full accreditation with the Australian Institute of Building Surveyors (AIBS). The program is recognised by NSW Fair Trading to meet the qualifications requirement to be accredited as Building surveyor-unrestricted.
Eng, Design & Built Env	3708	Master of Bushfire Protection	01/01/2016		Essential to work in profession	The program is recognised by Fire Protection Association Australia as a qualification for accreditation under the Bushfire Planning and Design Scheme.
Eng, Design & Built Env	3793	Graduate Diploma in Bushfire Protection	01/01/2022		Essential to work in profession	The program is recognised by Fire Protection Association Australia as a qualification for accreditation under the Bushfire Planning and Design scheme.
Eng, Design & Built Env	3794	Graduate Certificate in Bushfire Protection	01/01/2022		Essential to work in profession	The program is recognised by Fire Protection Association Australia as a qualification for professional accreditation under the Bushfire Planning and Design scheme.
Eng, Design & Built Env	3693	Master of Engineering	01/01/2015	12/31/2027	Essential to work in profession	This Master of Engineering has Full Accreditation at the level of Professional Engineer at Parramatta City Campus in Civil, Environmental, Mechanical, Mechatronic, Electrical, and Telecommunications. Graduates of this program in these six areas are eligible to apply for full membership of Engineers Australia. They are eligible to apply for Chartered Professional Engineering registration upon successful completion of required engineering practice period specified by Engineers Australia.
Eng, Design & Built Env	3786	Graduate Diploma in Project Management	01/01/2021	06/27/2026	Non-essential	This program has accreditation with Australian Institute of Project Management (AIPM). Accreditation with Project Management Institute (PMI), Australian Institute of Building (AIB), Engineers Australia (EA), Australian Computer Society (ACS), Royal Institution of Chartered Surveyors (RICS) and Chartered Institute of Building (CIOB) will be sought.
Eng, Design & Built Env	3787	Graduate Certificate in Project Management	01/01/2021	06/27/2026	Non-essential	This program has accreditation with Australian Institute of Project Management (AIPM). Accreditation with Project Management Institute (PMI), Australian Institute of Building (AIB), Engineers Australia (EA), Australian Computer Society (ACS), Royal Institution of Chartered Surveyors (RICS) and Chartered Institute of Building (CIOB) will be sought.
Eng, Design & Built Env	3752	Master of Project Management	07/01/2019	06/27/2026	Non-essential	This program has accreditation with Australian Institute of Project Management (AIPM). The Master of Project Management (Construction) program has been accredited by the Royal Institution of Chartered Surveyors (RICS). Accreditation with Project Management Institute (PMI), Australian Institute of Building (AIB), Engineers Australia (EA), Australian Computer Society (ACS) and Chartered Institute of Building (CIOB) will be sought.
Eng, Design & Built Env	3752	Master of Project Management	07/01/2023	01/31/2027	Relates to Major	This program has accreditation with Australian Institute of Project Management (AIPM). The Master of Project Management (Construction) program has been accredited by the Royal Institution of Chartered Surveyors (RICS). Accreditation with Project Management Institute (PMI), Australian Institute of Building (AIB), Engineers Australia (EA), Australian Computer Society (ACS) and Chartered Institute of Building (CIOB) will be sought.
Eng, Design & Built Env	3740	Bachelor of Engineering (Honours)	07/01/2017	12/31/2027	Essential to work in profession	This program has Full Accreditation at the level of Professional Engineer at Penrith campus and Parramatta campus for five majors (Civil, Construction, Electrical, Mechanical and Robotics & Mechatronics) and Sydney City Campuses for three majors (Civil, Electrical and Mechanical only). This program has Provisional Accreditation at the level of Professional Engineer at Penrith and Parramatta campus, for three majors (Advanced Manufacturing, Materials, and Sustainability). Provisional Accreditation at the level of Professional Engineer will be sought at Sydney City Campuses for three majors (Advanced Manufacturing, Materials, and Sustainability). Graduates of this program will be eligible to apply for full membership of Engineers Australia. They will be eligible to apply for Chartered Professional Engineering registration upon successful completion of required engineering practice period specified by Engineers Australia.
Health Sciences	6000	Diploma in Health Science/Bachelor of Health Science	07/01/2017	03/31/2024	Relates to Major	The Bachelor of Health Science (Health Service Management) has Professional Accreditation with the Australasian College of Health Service Management (ACHSM). The Bachelor of Health Science (Therapeutic Recreation) has been granted accreditation from Diversional Therapy Australia (DTA).
Health Sciences	4656	Bachelor of Health Science	01/01/2016	03/31/2024	Relates to Major	The Bachelor of Health Science (Health Service Management) program has Professional Accreditation with the Australasian College of Health Service Management (ACHSM).
Health Sciences	4669	Bachelor of Health Science (Paramedicine)	01/01/2023		Essential to work in profession	The Bachelor of Health Science (Paramedicine) has been granted the status of an "approved course" by the Paramedicine Board of Australia.
Health Sciences	4658	Bachelor of Health Science (Sport and Exercise Science)	01/01/2011	12/31/2024	Non-essential	The Bachelor of Health Science (Sport and Exercise Science) program is accredited at the level of exercise science by Exercise and Sports Science Australia (ESSA). Graduates are eligible for exercise science accreditation. Additional English language competence standards apply for International and Non-English as first language student graduates. Please refer to ESSA for these standards https://www.essa.org.au/
