CURRICULUM MAKERSPACE 3 #fcpmakerspace

Mission & Purpose

'FLAGSHIP' Projects

- Shaping the future university
- Catalysts for change: exemplars and leadership capacity building
- Develop Future of Work capabilities: hybrid skill sets, value proposition to prospective
- Embody Partnership pedagogies: co-created, distinctive
- Engaging Pods: Appealing, interdisciplinary, accessible, pathways
- Embedded in new curriculum structures

EVACUATION

- In case of emergency, please do not use the lifts and instead use the fire stairs next to the lifts. If you are unable to take the stairs, please wait inside the stairwell for assistance.
- assembly point is on the corner of Smith and Darcy Street (Sydney Water building).

MEDIA

- Continue the conversation online using #fcpmakerspace and follow the 21C Students as Partners on Twitter @WesternsydU_SAP.
- This MakerSpace will be photographed throughout the day. Please see the registration desk if you do not wish to take part.

SCRIBE

- Brett Bower is today's Scribe. His job is to capture and then visually represent our collective MakerSpace 3 conversations.

FREE MESSAGES

- During the breaks, take advantage of the free massages available in the Level 9 foyer.
