

Please complete this form in **BLACK INK** using **CAPITAL LETTERS**. Mark appropriate answer boxes with a cross (X).
Fill in as a supplementary form to the online Research Admission Application. Scan and upload as part of your completed application.

1 - PERSONAL DETAILS

Title Family name

Given name(s)

2 - FOR CODES

Please indicate which Fields of Research (FOR) classification codes are relevant to your proposed research topic. A list of codes is available at: heimshelp.deewr.gov.au/sites/heimshelp/resources/pages/field-of-education-types

FOR code	FOR code description	% of project in this category

3 - NATIONAL PRIORITIES

Universities are asked to report to the Australian government on national research priorities. Please indicate which, if any, of the priorities you believe your thesis will address with an 'X'.

This question is for data collection only and will not affect the outcome of your application. Additional information about national research priorities can be found at: innovation.gov.au/Research/Documents/Australia'sNationalResearchPriorities.pdf

Four national research priorities and their associated priority goals:

- An environmentally sustainable Australia
 - Water: a critical resource
 - Transforming existing industries
 - Overcoming soil loss, salinity and acidity
 - Reducing and capturing emissions in transport and energy generation
 - Sustainable use of Australia's biodiversity
 - Developing deep earth resources
 - Responding to climate change and variability
- Promoting and maintaining good health
 - A healthy start to life
 - Ageing well, ageing productively
 - Preventative healthcare
 - Strengthening Australia's social and economic fabric
- Frontier technologies for building and transforming Australian industries
 - Breakthrough science
 - Frontier technologies
 - Advanced materials
 - Smart information use
 - Promoting and innovation culture and economy
- Safeguarding Australia
 - Critical infrastructure
 - Understanding our region in the world
 - Transformational defence techniques
 - Protecting Australia from invasive disease and pests
 - Protecting Australia from terrorism and crime

In providing my personal information to the University, I understand that, other than as authorised by law, the University will only use this information for the purposes for which it is being collected in accordance with the University's functions and activities associated with my enrolment. In some instances, the University may need to disclose information to any Government department which administers or has authority regarding education or immigration policy and law and any other Government agencies (State, Territory or Federal, an affiliated entity of the University, or to third parties for the purposes of recovering unpaid University fees or other debts owed to the University, and I consent to such disclosure. I also understand that all information will be collected, stored, accessed and disseminated or destroyed in accordance with privacy, records management and other relevant laws, and the University's policies.
