

PrintSmart @ Western

How to Setup your PC to Print

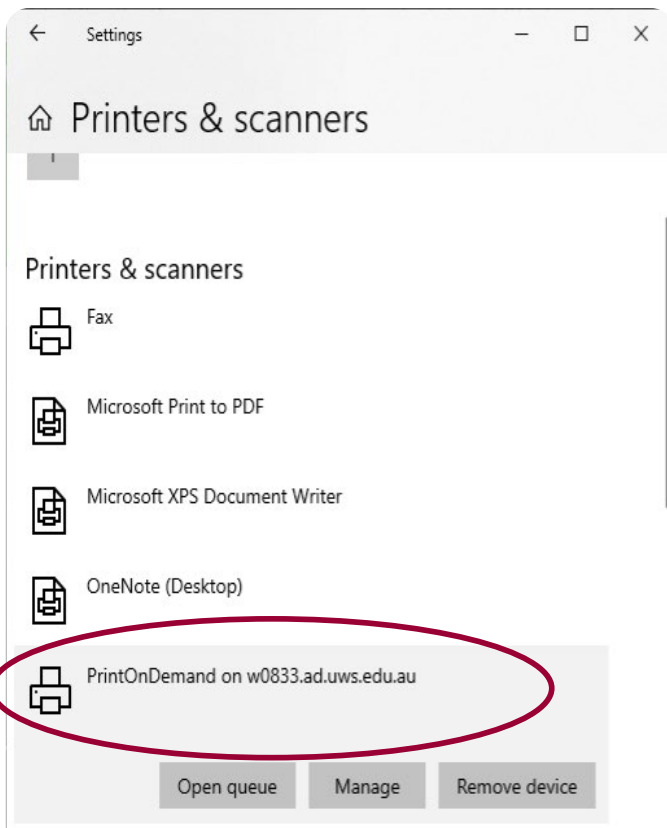

This option is available for WSU Students and Staff that wish to print documents whilst connected to the WSU wired network on a University managed PC. You will need to set your computer up the first time that you would like to use PrintSmart.

Setting up the Print Queue

- 1 In the search bar, please navigate to [\\w0833.ad.uws.edu.au\PrintOnDemand](https://w0833.ad.uws.edu.au/PrintOnDemand)
- 2 Click on open, and setup PrintOnDemand.

Ready to PrintSmart!

- 1 To check if you are set up correctly, go to settings.
- 2 In **Printers & Scanners**, you see that the printer has now been added to your printer list.
