## STUDENT REPRESENTATIVE COUNCIL

### ELECTION 2021

The election of representatives on the above Council was conducted online from 9.00 am Monday 12 April 2021 through to 4.00 pm on Monday 26 April 2021. There were a number of positions that were not contested or only received one nomination.

Following the close of voting and count of the ballots the preliminary results were provided to the candidates. However, there was a further step to be undertaken in determining the elected candidates for each position. This involved applying the preferences provided by candidates where they had nominated for more than one position on the Council.

Having undertaken the application of those preferences the following candidates were successful and are hereby appointed to those positions to take effect from 1 July 2021.
