PASSWORD PROTECTION

IT'S UP TO YOU!

WESTERNSYDNEY.EDU.AU

Protect your data. Protect the University's data. Keep your passwords secure!

IT'S UP TO YOU.

- Use strong passwords that can't be guessed.
- Use different passwords for different systems.
- Don't use University passwords for private accounts.
- Keep passwords secret - from **EVERYBODY**, including IT, supervisors and family.

If you suspect your password has been compromised, contact the IT Service Desk immediately:

(02) 9852 5111

For more on passwords, check out our MyIT knowledge base:

myit.westernsydney.edu.au
