# ASPIRE PROGRAM

The Aspire Program is a unique initiative aimed at supporting Indigenous undergraduate students studying in the fields of Engineering, Architecture, Industrial Design, Building Management, and Construction Management.

The program provides a paid part-time internship with industry partners, which allows students to gain valuable work experience while studying for the duration of their degree.

## APPLY FOR UNI

Apply for any undergraduate university degree within the School of Engineering, Design and Built Environment.

**2**

## ATTEND INFO SESSION

An information session will run in Semester 1 & 2 to meet the Aspire team where you can hear more and ask questions.

**3**

## EXPRESS INTEREST

Let the team know you would like to be a part of the program.

**4**

## DECIDE WHERE YOU WANT TO WORK

You will receive a document with information on each of the potential employers. You will learn about each company and the opportunities available to you if you work there. The Aspire team will help you decide if you are having trouble.

**5**

## MEET THE EMPLOYER

You will let the Aspire team know which employer you are interested in and an informal meeting will be organised.

**6**

## ACCEPT EMPLOYMENT

After meeting, the employer will send an official offer of employment in which you need to accept. At this point you can discuss your part time work hours, salary etc. The employer will keep you on for the duration of your degree.

The Aspire program is designed to help students succeed in their studies and prepare them for successful careers in engineering and construction.

By providing support and industry connections, the program aims to support students with studies, career goals and to gain meaningful employment in the industry.
